A portion of the evenings proceeds benefit Stroke Recovery Center

The Stroke Recovery Center (formerly Palm Springs Stroke Activity Center) is a freestanding day facility serving the needs of clients living with the aftereffects of stroke. All services are provided free of charge. Our mission is recovery and rehabilitation through psychological, physical, speech and recreational therapies structured for resocialization and recovery. Our motto, we begin where others leave off, emphasizes our ongoing commitment to stroke survivors, who comprise the largest group of disabled adults.
