Our April Charity

A portion of the evenings proceeds benefit Coachella Valley Alumnae Panhellenic

Members of the National Panhellenic Conference of fraternities, come together in friendship and mutual interest to promote leadership, scholarship and enlightenment. They promote higher education by offering scholarship awards, and annual educational and informational functions in our local communities. Their goal is to be a proactive voice regarding issues that are important to our communities and to actively participate in philanthropic projects. For over 54 years they have served as a resource to students and schools in the Coachella Valley. The Coachella Valley Alumnae Panhellenic (CVAP) was established in 1954 and currently has a membership of 225 sorority women from every part of the United States. The CVAP Scholarship Program is their proudest achievement. Scholarships totaling several thousand dollars are awarded each year to women graduating from local public high schools. They are proud that, with outstanding help from our community, they have raised in excess of \$600,000.00 for scholarships in the last five years www.coachellapanhellenic.org
