Our September Charity

A portion of the evenings proceeds benefit **kdikares**

KDI Kares is dedicated to helping others put the heart back into caring for our community. The objectives shall be raising monies for the purpose of supporting the growth and development of non-profit organizations within our surrounding communities and enhancing community awareness of the needs of these organizations. We are dedicated to meeting the growing needs of individuals who, for a variety of reasons, have found themselves without the basic necessities of life. These organizations receive little or no government funding and must be supported by caring individuals, businesses and civic groups who see the value of sharing their resources with the less fortunate.
